In light of Liddun giving away not 1 but 2 VSL trophies, Mary Jo, Tip and I have come up with another idea.

Since the teams are striving for the Diamond Cup, we will have the Diamond Cup trophy on-court for the award presentation and update Mary Jo's speech to denote that the winning team is one step closer to winning the Diamond Cup. We will continue having the team captains give there speeches, etc. In addition, we will continue to have the promoter present each team with either flowers or a gift (some of the promoters have done deals with jewlery stores who will supply the gifts).

We just feel that having the Diamond Cup on court as a substitute for the Waterford trophy makes sense.
